

Privacy and the Links on Our Website

Providing the public with information about older adults, persons with disabilities, and caregiver issues through our website is an essential part of Aging & In-Home Services of Northeast Indiana's (AIHS) efforts to carry out its mission.

LINKS IN TO WWW.AGINGIHS.ORG

We welcome links to any part of our website from other nonprofits, approved providers, government agencies, and others who wish to help extend our mission into the community. We ask that you contact us to let us know of your intentions to link to our site, and indicate the purpose of the link. No link may present or display a product or activity in a way that states or implies AIHS's endorsement. AIHS does not endorse any commercial organizations or products.

LINKS OUT

Aging & In-Home Services of Northeast Indiana's (AIHS) website features links to other nonprofit organization sites, approved providers, government organizations, and corporate sponsors of AIHS. We do not routinely "out-link" to private, commercial or other similar websites, other than current corporate sponsors of AIHS's programs and services. However, on a case-by-case basis, we will consider requests from such groups or persons to out-link to their websites. AIHS will grant such requests only where it is determined that such links will clearly support our mission of promoting dignity, independence, and advocacy for all older adults and persons with disabilities, and where we have concluded that such links will not in any way jeopardize our reputation, independence, objectivity, mission or ability to serve the community. From time to time, AIHS also may decide on its own, not based on any request, to out-link to private, commercial or other websites. The same criteria described above will apply. Such links may be short or long-term, at the discretion of the organization.
